goods to the exclusion of goods made by American workmen? And why does it continue to insult American workmen yarging that they cannot make itn plate, which is made by ignorant workmen in England and Wales?

men in England and Wales?

The report of Hon. Charles F. Peck, Democratic Commissioner of the Bureau of Labor Statistics of the state of New York, addressed to the Democratic Governor of that state on August 28th, 1892, shows that there has been a net increase in wages in 1891 of \$8,377,925, and a net increase in production in that state during the same period of \$81,315,130. Mr. Peck's report shows that there were 285,723 men whose wages were raised in the state of New York as the result of the McKinley bill's operations in 1891.

This is the report of a Democratic official, originally appointed as Chief of the Bureau of Labor by Grover Clevy-Laxe, continued in that office by Davin B. Hill and recently appointed by Roswell P. Flower—all Democrats.

SLAVE TRADE.

The Present Demand Brisk and Prices Are High.

Traders Accept Nothing But Modern Firearms and Ammunition.

MARSHILLES, Sept. 30.—According to advices from Aden, the slave trade in Africa continues on a large scale. Owing to the demand for slaves and the high prices offered for them, slave carravans are arriving on the east coast daily.

high prices offered for them, have was are arriving on the east coast daily, was reprived to the east coast daily. The caravans find no difficulty in traveling through Vitu. The slaves are embarded at points, in the vicinity of Zeylah, Massowah and Diftontilland. Some coept nothing but modern frees ms and ammunition. The mortality among the slaves while en route to the coast from the interior is 70 per cent. Badis on a still, larger scale are expected during the winter in the region of the Congo state and German and English East Africa.

De teit Congo ciate and termin and English Bast Africa.

KENTUCKY WEATHER REPORT

What We May Expect Between This Time and To-Morrow Evening.

HE LEDGER'S WEATHER SIGNALS

The above forecasts are made for a period of thirty-its boars, ending at a o'clock theorems where he was a substantial to the substantial that the substanti

vitar will be master in the household.

VERILY, a Postmaster's lot is a hardone. If he permits his office or lobby to become offensive with cigarette smoke, addes combain of the nuisance. If he may be a see white dudes fined for smoking he nasty things, there is a howl of includes fined, there is another howl that they can't read and don't know the way. But if the whites were punished and the blacks let go free, don't you thinker would be a still greater how? As we compiled with and those who don't want to be fined must not enter the Post-office with a lighted cigarette.

The demand for Chamberlain's Colic, Cholera and Diarrhoes Remedy is steadily growing, from the fact that all who give it a trial are pleased with the results and recommend it to their neighbors. We feel sure that the remedy cannot be recommended to highly.—Magely & Smead, Druggists, Newton, Iowa. Power & Reynolds. Druggists.
